Export Assistant Specialist

Deniz Trading Lojistik, Şişli

I worked at Deniz Trading Lojistik which is an agent of one of the biggest Logistic company Evergreen Logistics for 8 months as Export Specialist Assistant. My responsibility was to handle all kind of export shipments all over the world especially to Russia. I managed to deliver over 200 containers on the behalf of shipper. I had businesses with well-known companies such as Vestel and Petlas. In order to expand export operations, I almost had connection in every continent of earth. This 8 months period helped me to discover and enhance my internal-external skills in terms of international trade-logistics and communication

Eki 2021 - Haz 2023

E-Commerce

ETSY, Uzaktan

During University and Covid-19 times, I was bored at home and wanted to invest on something to test my limits. With limited budget, I started running a small business in ETSY which is an United States E-Commerce company. with opening my small shop, I sold over 50 products to United States, Canada and Europe in Dollars. Even it is little, it helped me to earn my allowance and understand international trade at some point. most significantly, Make a smile on people's face with my customer service skills.
